

Artistique Acres Grooming Contract

Thank you for choosing Artistique Acres for your pets grooming needs. Our number one concern for your pet is safety and well-being while focusing on their best interest.

- At times it is necessary for the safety of your pet and the groomer to use muzzles or groomer helpers. The undersigned is aware that if your pet does not respond to the groomer and won't remain still during the process, accidents may occur such as nicks from clippers, scissors or toenail trimmers.
- We use tear free shampoo and use extreme caution, but it is still possible for your pet to get water or shampoo into their eyes that can lead to an eye irritation. As this is not ideal and not always avoidable this is never intentional.
